

Lloydminster O.T.S. Heavy Oil Show
September 15 & 16, 2021

Press Release
For Immediate Release May 4, 2020

Lloydminster O.T.S. Heavy Oil Show 2020 Postponed to 2021

After hosting numerous bi-annual heavy oil shows dating back to the 80's in Lloydminster AB/SK. The board of directors for the 2020 Lloydminster O.T.S. Heavy Oil Show has taken into consideration the current Pandemic and its unknown aspects as well as the known factors of the COVID-19 virus and made the difficult decision to officially postpone the 2020 show until 2021.

Please mark your calendars for the LHOS 2021 Show, September 15 & 16 2021 and plan to join us at the Lloydminster Exhibition Facilities in Lloydminster Saskatchewan.

“We are deeply disappointed to postpone this year’s show but we are looking forward to 2021 and the continued transformation within the heavy oil industry. Covid won’t keep us down.” stated John Stanyer chairman of the 2021 Lloydminster O.T.S. Heavy Oil Show

The LHOS is the world premier showcase of leading edge technology and innovation in Heavy Oil development and production. The Lloydminster area has a reputation for creating and enhancing recovery of heavy oil. The LHOS is a world-class show with exhibitors and attendees from around the world and always is an event not to be missed.
